

Belle Creek Porch Dance Party!

What: A drive-by dance party from the responsible location of your porch, driveway, or yard! We will drive by (not stopping, just driving really slow) and record you and your family dancing. You can dance to any song you want but when we edit it all together we will be using a different song, so don't worry too much about making it fit.

Once the video is edited together it will be put on our neighborhood Facebook Page and on our Website.

When: Sign up before Friday May 1st and we will do the drive-by video between 1pm-4pm on May 3rd. After you sign up we will send out a confirmation on Saturday the 2nd to let you know roughly what time to be outside.

Who: Belle Creek Residents

How: Send an email with your address to events@bellecreek.org before May 1st to join in. Then wait for that confirmation on Saturday with your timeframe. At your time be outside ready to dance with your music turned up and your dance ready! When we get close we will honk as we are coming up the street. Then let loose! Have fun! Give us your best moves! If they are too awesome we may need a second pass. We may even stop and get out to do some extra shots (at a socially responsible distance and with a mask on of course).

Additional information: Your dance can be anything that you enjoy, just please make sure it is family appropriate. Feel free to make signs, write on the windows of your house or car (using something that easily washes off and doing so at your own risk), or anything else you can think of that shows our community pride.
